

Welcome to the Paulus Library!
This is a brief introduction to using our search box
to find information in the library

Wikipedia, or Google, can be a good place to **START** to learn about a topic, and to find keywords and search terms, but it should never be where you **FINISH** your research!

On your MyRanney Resources page, click on the green Paulus Library box to take you to the library website.

The search box you see on the homepage will access ALL of Ranney's library information - online databases and ebooks, as well as our print catalog.
